

European Governance and Geopolitics of Energy

*Ifri Energy Roundtable*

***The Challenges Ahead for European Energy Policy***

**On Tuesday, March 20, 2007, 2:30-5:00 pm**

Conseil Central de l'Economie  
Avenue de la Joyeuse Entrée 17-21, 1040 Brussels  
metro: Schuman

(registration : 2:15 pm)

with lead speaker **Claude Mandil**, Executive Director of IEA.

Introduction: **Jacques Lesourne**, President of the scientific committee of the Ifri Energy Program

Moderation: **Jan-Horst Keppler**, Director of the Ifri Energy Program

Claude Mandil will comment on the European energy policy and will discuss the proliferation of approaches - and the resulting challenges - which embrace an EU internal market policy, an EU environmental policy and an EU research policy in addition to individual EU Members' policies. Claude Mandil's presentation – organized around the key concepts of capacity, efficiency, diversity, transparency and security – will allow to touch on topics such as the opening-up of European energy markets, ETS implementation and greenhouse gas emission, external European energy policy or harmonization for energy taxation.
