

European Governance and Geopolitics of Energy

Ifri Energy Breakfast Roundtable

Energy Challenges in Asia: Strategic Implications for the Region

On Thursday, May 10, 2007, 8:45-11:00 am

Ifri

27, rue de la procession, 75015 Paris
metro: Volontaires, Pasteur

(registration : 8:30 am)

with lead speaker **Valérie Niquet**, Director of the Asia Center at Ifri.

Moderation: **Jacques Lesourne**, President of the Scientific Committee of the Ifri Energy Program

Valérie Niquet will present an overview of energy policy challenges in China and Japan. She will outline convergence and divergence between the two countries. She will discuss the strategic implications of energy issues on the relationship between China and Japan.

Pr. Philip Andrews-Speed is Director of the Centre for Energy, Petroleum and Mineral Law and Policy at the University of Dundee. He is an expert on China energy issues and will give a closer look on China energy policy.

For more information about this seminar, please contact Nadia Fraioli by phone at +33 1 40 61 60 11 or by e-mail at fraioli@ifri.org.

For security purposes, participants must show photo ID or Ifri Member card to access the conference room. Only registered participants will be admitted on a first-come basis. Please note that space is limited.
